Hi, I only reviewed options selection #2 and made a few clarifications. This needs page numbers added but when I tried it messed up the formatting so did not add.

I did not review options selection #1 because we already finalized and uploaded that to the ADP tracker I thought. Sorry., Kathy

Mindy-

Attached is the outcomes summary table for options selection #1 that was sent to Dave previously. Also attached is a draft for options selection #2, which we haven't sent previously.

I'm not sure if Kathy or anyone else has had a chance to review #2, so it might be good if you or Kathy could review before sending. The options selection #2 draft was based on a combination of notes by Megan, Emma and myself.

Hi,
We had a good meeting with Dave on schedule for the rulemaking and he is okay with targeting end of Sept to get to OMB. We can talk more with the whole team on Thursday and fill everyone in. He asked that we send him the options selection summary to refresh his memory of where we landed on the various issues. We had discussed it a while ago but I lost track of the second options selection. Do you have the summary you can send me (for both).

thanks
